Screen Print & Embroidery

If It's Made of Fabric, We Can Screen Print Or Embroider It.

We'll take your emblem, logo, or slogan and print or embroider it on your choice of T-shirts, ball caps, denim shirts, sweatshirts, or sweatpants. If you have a special item you need printed or embroidered, give us a call. Custom orders are our everyday business. Printed/Embroidered Items are perfect for:

- Special activities or events
- Incentive awards to boost employee morale
- Sports events & competitions
- Uniforms/Agency apparel
- Commemorating an event

Make It Colorful!

UNICOR can silkscreen print up to six colors or embroider up to nine colors. We can match most colors, and items can be printed on more than one side. For example, we can print on the front, back, and sleeves of shirts. We can use your artwork or we can create artwork to your specifications using a rough sketch or even a written description.
